In a fracturing empire spread across savage seas, two people find a common cause. Hope, the lone survivor of a village massacred by the emperor's forces, is secretly trained as a warrior and instrument of vengeance. Red, an orphan adopted by a notorious matriarch of the criminal underworld, learns to be an expert thief and con artist. Together they will take down an empire. Perfect for fans of Brent Weeks, Brandon Sanderson and Peter V. Brett, *Hope and Red* is destined to be the next fantasy blockbuster.
