This dramatic, inspiring audio presentation reveals how successful managers cut through red tape, people problems, and inertia in their day-to-day work to make things happen. In this audio you'll discover powerful, proven methods you can use to: Identify new professional opportunities and envision new managerial goals where others see none. Organize and motivate employees to work to the fulfillment of your goals. Overcome procrastination, poor organization, and overattention to detail in your employees. Light a fire under indifferent, apathetic workers in your department. Delegate authority without losing control. Turn office cliques and troublemakers into trustworthy team players. Sharpen decision-making skills with a 7-step action program for making the right moves at the right time.
