Remember the name but can't remember the face?
Remember the face but can't remember the name?
Harry Lorayne's easy-to-use techniques will teach you how!
How important is recalling a name or face? No matter how briefly you may have met, remembering someone can be a crucial social and business skill. By applying Lorayne's proven system of memory development, you'll be able to avoid the embarrassment and possible cost of forgetting a name or face. Learn to sidestep unnecessarily awkward situations and grasp potentially important relationships. You'll be amazed at how easy it is to train your memory through this unique approach.
