<p>Meghan, my little love. She is my sonâ€™s young girlfriend and my ex-best friendâ€™s daughter. She came to my home with Ethan for a visit. Nineteen, untouched, angelic, and wanting. The moment I saw her, I wanted her. I needed to make a thrusting appearance deep inside her untouched walls.</p> <p>It took a rough, hard, raw, and unprotected encounter to make her a woman, my woman. Yet, even though I am damaged, I want another heir from her. And what Hunter wants, Hunter gets!</p> <p>I have been called a monster, but could the beauty heal the beast?</p> <p>Many have tried and failed; it is freaking futile.</p> <p>Welcome to your fate, Megan; no one ever leaves Hunterâ€™s lair the same.</p> <p>Dark, twisted story with suspense and a lot of seduction. This story will have you begging for more. Anastasia Slashâ€™s filthiest, darkest, most twisted and naughty tale ever. Multiple filthy encounters and MFM abound. Enjoy!</p>
