Synopsis

author	Dr. Jamal Harrison Bryant
inLanguage	english

Drake might have made the song "I Just Want to Successful" a hit, but Dr. Jamal Harrison Bryant brings this song to life in a powerful three-part series that includes the messages "I Don't Need a Job", "It's Not How You Start", and "Rebound from Bankruptcy".

Radical, Revolutionary, Innovative, Anointed, and Cutting edge are some of the words often used to describe Dr. Jamal-Harrison Bryant. He is the Pastor of Empowerment Temple in Baltimore, Maryland which started with a mere 43 members and grew to over 10,000. Dr. Bryant is a man with a global mission that focuses on empowering individuals spiritually, developing them educationally, exposing them culturally, activating them politically, and strengthening them economically. His undeniable and uncanny ability to reach the explosive urban generation and population through his teaching and preaching.
