Synopsis

Read Through The New Testament in just 8 weeks with the NLT Bible and Immerse: Messiah
QUICK START GUIDE
3 ways to get the most out of your experience

- Use Immerse: Messiah instead of your regular chapter-and-verse Bible. This special reader's edition restores the Bible to its natural simplicity and beauty by removing chapter and verse numbers and other historical additions. Letters look like letters, songs look like songs, and the original literary structures are visible in each book.
- Commit to making this a community experience. Immerse is designed for groups to encounter large portions of the Bible together for 8 weeks—more like a book club, less like a Bible study. By meeting every week in small groups and discussing what you read in open, honest conversations, you and your community can come together to be transformed through an authentic experience with the Scriptures.
- Aim to understand the big story. Read through "The Stories and the Story" (p. 483) to see how the books of the Bible work together to tell God's story of his creation's restoration. As you read through Immerse: Messiah, rather than ask, "How do I fit God into my busy life?" begin asking, "How can I join in God's great plan by living out my part in his story?"

4 Questions to get your conversations started:

- What stood out to you this week?
- Was there anything confusing or troubling?
- Did anything make you think differently about God?
- How might this change the way we live?

Part of
NLT Immerse: The Reading Bible, Complete Set,
the Winner of the 2022 Christian Book Award for Bible of the Year!
Messiah is the first of six volumes of Immerse: The Bible Reading Experience program. Messiah takes the reader on a new and unique journey through every book of the New Testament. Each part of Messiah begins with one of the Gospels, and together combine to provide the reader with enjoyable and impactful readings all centered on Jesus. The end result is a Bible developed for the purpose of being read and understood, not referred to. Messiah is a new way to interact

with God's Word.
Messiah delivers Scripture to the reader as it was originally created: without chapter or verse breaks. While references are made available for ease of finding specific Scripture references, those references do not appear within the actual text of Scripture. This makes for uninterrupted reading of God's Word. Created with the look and feel of a paperback book, and written using the *Holy Bible,* New Living Translation, the most readable translation available, *Messiah* enables you to easily read and understand the Bible.
