When you think on the mysterious, the uncanny, the unexplained - one name comes to mind: Houdini! Dark Adventure Radio Theatre celebrates Houdini's enduring legacy with a special tale from Houdini himself as told by master storyteller H.P. Lovecraft. Journey with us back to a time before the war, as Houdini searches for his next great illusion in exotic Egypt. His quest to master the Orient's mysteries leads him to temples deep beneath the desert sands, and into the clutches of fearsome Bedouins. Not even the great Houdini can escape the thrilling and horrifying secrets which have lurked for untold millennia under the pyramids in the imprisoned with the Pharaohs!
