This week, Susie introduces one of her new favorite erotic writers, Cara Bruce, by reading Cara's very sexy, funny short story, "You Know What?," about a peep show girl who gets an eyeful when a beautiful woman challenges her to an erotic duel. In her *Front Page*, Susie reports on her latest erotic writing workshop held at the famous Esalen institute, in Big Sur, California. And, in her *Try This at Home* mailbag, Susie answers the question everyone's been asking: How will she spend her \$300 George W. Bush tax refund? Susie's prepared, of course - she has four plans - the Republican, the Liberal, the Orgasmic, and the Paranoid! Get out your calculators! Don't forget, you can send your completely confidential sex-related questions as well as feedback about the show to susie@audible.com.
