It's a war of wills between stubborn and sexy Josh Faraday and Kat Morgan. A fight to the bed. Arrogant, wealthy playboy Josh is used to getting what he wants. And what he wants is Kat Morgan.

The minute Josh Faraday meets feisty, vivacious Kat Morgan, he wants her. Not for a relationship, of course. He doesn't do those. He wants her in his bed. But, to his shock and extreme frustration, Kat won't play by Josh's rules like all the others. No, this stubborn woman declares she won't so much as kiss Josh until he divulges some highly personal information.... But it's something Josh has never told anyone, and won't be telling Kat. Not over his dead body, no matter how gorgeous and sexy she is.

But the chemistry between the pair is explosive, scorching hot electricity like nothing he's felt before. Oh, God, he's got to get a taste. He figures all he has to do is wear the sexy woman down with his patented "playboy razzle dazzle" - show her the hotness she's missing out on and she'll cave, like all the rest.... The only problem with that strategy? It's Kat's strategy, too: she plans to wear Josh down and get what she wants too.

It's a war of wills. A match to the bed. Who will crack first? And when they do, will either of their hearts be on the line?

Infatuation is first book of the Josh and Kat Trilogy. The next two books are *Revelation* and *Consummation*, to be heard in order. *Infatuation* is set in the same world as The Club Trilogy and The Morgan Brothers Series, but you do not have to hear either series first to devour this white-hot love story about Josh Faraday and Kat Morgan.

Listeners 18+ due to graphic language and adult situations.
