In this explosive psychological thriller by *New York Times* bestselling author Lisa Unger, a young woman's mysterious gift lands her in the middle of a dangerous investigation of a little girl's disappearance.

For as long as she can remember, twenty-year-old Finley Montgomery has been able to see into the future: dream about things before they happen, see beyond the physical world, and unconsciously make supernatural things happen. But Finley can't control these powers, and moves to The Hollows to live with her grandmother, a renowned seer who can help Finley understand and master her gifts. But once in The Hollows, Finley's gift proves to be both a blessing and a curse.

Like Finley, Merri and Wolf Montgomery are in the worst possible hell. Their daughter Abbey has been missing for ten months. Leads exhausted, the police have all but given up hope; but Merri is unable to shake the feeling that time is running out, and makes a desperate, last ditch effort to locate her daughter.

Finley and Merri are on winding, treacherous paths towards the same point. When they finally come together in The Hollows, nothing is as it seems. But one thing is clear: The Hollows always gets what it wants.
