A heartbreaking page turner with an unexpected ending....

A heartbreaking story of family secrets from the *USA Today* best-selling author of *Gracie's Secret*. Perfect for fans of Jodi Picoult and Diane Chamberlain.

I know you. I know you in a way you can't even imagine. I have been searching for you in the years since you wrote that letter - the letter that told me you were looking for me too. But now that I've found you, I don't know if I can say the terrible truth of what I am. It would ruin your perfect life. It would hurt your beautiful daughter.

So, I hesitate - bide my time, for now. This morning, you're running late and your little girl, tugged by the hand, scurries to keep up with you. She's clean but a little scrawny. Maybe that's because you struggle with the bills; maybe she's just made that way.

I know what it is to have lost a child. I pray you never learn how that feels. But I can't wait forever! and when I finally tell you my secret, will it break you like it did me all those years ago?

"Riveting! Emotional! This was a brilliant fast-paced domestic drama!... A compelling story full of all the twists and turns." (*Audio Killed the Bookmark*)

"The characters are flawed but show great emotion! The author has tremendous insight into the mind of a young child! If you like domestic thrillers, emotion-packed drama, and a gripping storyline, this book is definitely for you." (*Waggy Tales Dog Blog*, 5 stars)

"You did not know who to trust and who kept which secret. Everybody seemed suspicious! When the culprit was finally revealed and all secrets were in the open, I could not believe my eyes. Not even in my wildest dream could I have guessed that! Fast paced! emotional." (*B for Book Reviews*, 5 stars)
