## Synopsis

---

author	K. Mobley
readBy	Jennifer Gill
inLanguage	english

This story takes place on a distant planet, far beyond our galaxy. Two brothers, Sinclair and Ivan Frost, are faced with a difficult challenge that may jeopardize Christmas and Sinclair's duties as the Giver of Snowville - a special power given to their family nearly a century ago by the Star Queen. Meanwhile, Sinclair's best friend, Randall, and the citizens of Snowville struggle to keep it all together.
