Welcome to the world of Rescue for Hire. Meet the team members who make up a company that forms a family of heroes. Jack Woods is a paramedic on the team, a caregiver by nature, but in his off time he turns into a wild, hard partier. After watching his best friend and boss fall in love, he decides he wants that. Putting his partying ways behind him turns out to be harder than he thought when an ex won't stay an ex.

Brian Hayward is tiny, delicate, and fragile. He has never felt like an accepted part of anything. Meeting Jack and being brought into the family of the rescue team is a dream come true. Then a horrible tragedy strikes, causing Jack to use his every medical skill to keep life going.

Can Brian and Jack's relationship survive the consequences of the past? When the whole team moves in, can the couple survive the chaos?
