***If You Want a Unique Japan Experience...Start Here!***

**For** Westerners, Japan is a fascinating and mysterious country: a unique blend of cutting-edge technology and centuries-old spirituality, unforgettable natural landscapes and hi-tech cities, Zen-inspired minimalism and crazy pop culture.

**This is why** planning a trip to Japan can be so daunting and challenging: There's just so much to see and experience that you don't know where to start!

Also, you probably don't want to go where ALL the tourists go - those landmarks are so overcrowded that it's better to focus on the lesser known hidden gems of Japan.

But how do you even know that these hidden gems exist?

**This unique** tourist guide to Japan will show you hundreds of places to see and things to do.

Here's what you'll learn:

- What you should REALLY expect** when visiting Japan
- Insider tips for an unforgettable experience in Tokyo, Kyoto, Osaka, and other major cities
- How to get a taste of both** traditional and modern Japanese culture
- The best activities for foodies, nature lovers, and sports addicts
- Which of the behaviors** that you do every day are considered offensive in Japan

Unlike most travel guides that all focus on the same few places, **this one offers an incredible variety of experiences to choose from**. No matter if you're longing to experience Japanese cuisine, hike in the mountains, see ancient temples, or enjoy the vibrant nightlife of Tokyo, there's something for you!

As a bonus, you'll also learn about common behavior rules in Japan - a topic that's not covered in most tourist guide. **By** applying these valuable tips, you'll be able to manage every social situation without being awkward and make new friends with ease!

***It's time to take the first step*** towards planning an amazing travel experience.
