

Jillian's Promise

author: Kristin Noel Fischer

2026-07

Synopsis

author	Kristin Noel Fischer
readBy	Rebecca Rush
inLanguage	english

Army officer Keith Foster has everything a man could possibly want - a successful career, two adorable sons, and a strong marriage. All that changes when he finds himself in the hospital recovering from a gunshot wound. His request to go home to his family is proving impossible. According to the doctor, the shooting not only shattered Keith's body, but it caused him to forget the past seven years of his life. He's divorced now, his little boys are teenagers, and his wife is dating another man! Keith vows to win back his family and discover the secret that tore them apart in the first place.

Meanwhile, Jillian Foster has been trying to forget Keith and their turbulent past. After the shooting, she can't help but feel obligated to help the father of her children recover his memory and restore his health. She's just not sure what exactly that obligation entails. From the author of *A Mother's Choice* and *Anna's Courage* comes the second book in the Rose Island series. Full of hope, faith, and family, *Jillian's Promise* is the heartwarming story about second chances and redemption.
