John Wayne Gacy is one of the most infamous serial killers of all time. In the 1970s, Gacy raped, tortured and killed at least 33 boys and young men in the Chicago area. Gacy was very well-known and liked in his community and he enjoyed dressing up as a clown to entertain the neighborhood kids. He was the perfect example of a monster hiding in plain sight. Join Mike and Gibby as they discuss the murderous John Wayne Gacy to mark the 150th episode of the podcast. In this second part on Gacy, we dive into Gacy's first conviction for sexually assaulting a 16-year-old boy in Iowa. When Gacy gets out of prison, he heads back to Chicago to rebuild his life. But, not even a year after getting out of prison Gacy commits his first murder.
