New York Times and *USA Today* bestselling author Carly Phillips returns to her sexy Kingston-Dare world of rich billionaire heroes in her new Kingston Family series.

He was her first love. She was his. They broke up to follow their dreams. Axel Forrester became a world famous drummer. Tara Stillman became a veterinarian.

Years later, he's scrolling social media and sees they're both in East Hampton, NY. Fate? Or Coincidence?

What's a rockstar to do other than borrow his friend's dog as an excuse to see the good doctor. And - show up at her office after all this time.

Axel wants a second chance with the one who got away. He's not going to let Tara go this time.

Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.
