**Penguin presents the audiobook edition of *Keep You Close* written by Karen Cleveland, read by Erin Bennett.**  
*A strange sensation runs through me, a feeling that I don't know this person in front of me, even though he matters more to me than anyone ever has, than anyone ever will.*  
*You go into your son's bedroom. It's the usual mess. You tidy up some dirty plates, pick up some clothes, open the wardrobe to put them away.*  
*That's when you find it.*  
*And you realize a horrifying truth...*  
**Your own son might be dangerous.**  
*Keep You Close* is the chilling, relentless new thriller from the bestselling author of *Need to Know*.
