From *New York Times* and *USA Today* best-selling author Bella Andre comes a New Adult contemporary series about The Morrisons! Sean Morrison, one of six siblings and the top college baseball player in the country, is reeling from a heartbreakingly painful loss. Nothing seems to matter anymore...until the night Serena Britten unexpectedly ends up in his arms. Serena is a world-famous model who has only ever wanted to be normal, even though her mother has always pushed her to become a superstar. Though it isn't easy to try to leave everyone and everything she knows behind, Serena is determined to enroll in college. More than anything, she wants to turn her love for books into a new career that she actually loves. Only, she never expected to meet someone like Sean on campus--or to be instantly consumed by their incredible chemistry and connection. But when the pressures of her high-profile modeling career only get bigger and more demanding, will it make living a normal life as a college student--and falling in love with the hottest guy on campus--impossible?
