Spin the wheel. Date the guy.

Six years ago, Kitty Valentine took the book world by storm when her sweet debut romance hit number one on *The New York Times* best sellers list, which was followed by a string of successful releases. Her latest novel, however, totally bombs, causing her editor to suggest she write much sexier books.

To Kitty, writing smut is the literary equivalent of stripping. But with no advance coming in and her royalties dipping to an all-time low, Kitty has no choice. Armed with a hot guy spinning prize wheel made by her best friend and listing all the different types of men she will date and then write about, Kitty will be spinning - not stripping - her way back onto the best sellers list.
