A night of Christmas magic in New York City.

Imagine Christmas Eve, the streets of New York City bright with holiday cheer. All over the city, people are getting ready to celebrate. Tomorrow is Christmas day. Well, at least for some people it is!

For Liam Klass, however, it is just another busy day at the office. There is so much work to do and so little time in which to do it. There's just no time for Christmas frivolity. But it's all worth it. After all, this law practice is her family's legacy, and what could possibly be more important than that?

But when Liam accidentally bumps into her bartender ex-husband Jackson Act, her life will never be the same. Christmas Eve will again play host to the past, present, and future. But, this time in New York City. Guided by a lost soul, Liam and Jackson discover what the future holds for the two of them. And from what they see, it is clear they both need to make a change.

Listeners will love *Klass Act Christmas* by Alanna K. Puzak, a magical, modern twist on a classic old Christmas tale. So, make yourself comfortable, grab a little Christmas cheer, curl up in your favorite chair, and enjoy this charming little Christmas romance.
