Jesse risked everything to bring her mother and father home, but her life is far from back to normal. With her parents' memories of their abduction gone, Jesse is no closer to finding answers, and the threat still looms over her family.

When the agency announces that a powerful fae artifact is missing, Jesse suspects it's connected to her parents' disappearance. Until the artifact is found, her family will never be safe. This job might be more than she can handle alone, but is she willing to accept help from the people who betrayed her from the one person she is trying hard to forget?

The only thing Jesse knows for sure is that the game is not over. The rules have changed, there are dangerous new players on the board, and the stakes are higher than ever. She's always been smart and resourceful, but it might take the goddess herself to save Jesse from what comes next.

Bonus scene narrated by Zachary Webber.
