

Knocking Boots

author: Willow Winters

2026-07

Synopsis

author	Willow Winters
readBy	Teddy Hamilton, Lidia Dornet
inLanguage	english

From *Wall Street Journal* best-selling author Willow Winters comes a steamy, small-town romance. A drunken bet that led to a fake relationship? My naive little heart still hoped it would last... We were never meant to be together. He's a bartender with noncommittal tendencies. I'm looking for the opposite. Commitment. Period. But drinks and a bet led to something it shouldn't have: a fake relationship. Worse, a first date, a first kiss—and then more. He's addictive and I can't bring myself to accept the reality. That it's all a lie and I'm fooling myself by thinking he could want more. That I could change him. He's mine for as long as I keep on pretending like this is just for fun. As if I don't want more.... Like when he whispers my name, I pretend it doesn't make my heart flip. Like when he holds me at night, I pretend I don't want to lay in his bed every night. It's just a bet; just a lie...until it isn't.
