Kay is entranced with the possibilities which lie before her. Five handsome, willing men are vying for her hand in marriage. The stakes are ownership of a medieval keep perched on the rocky edge of a stormy ocean. Each man seems more stunning than the last, and it is her choice to whom she will reward the prize.

To make the game even more interesting, Kay is disguised as a handmaiden to her sister Em so that she might more freely mingle with the suitors. In this way, she can learn their strengths and catch them in their most unguarded moments.

As the threat of border reivers approaches the keep, Kay finds that her pleasurable pastime takes on a far more serious overtone. Knowing who to trust and who to depend on becomes a matter of life and death!
