Teaching, for the First Time in the History of the World, the True Philosophy upon which all Personal Success is Built.

Lesson Ten, Pleasing Personality is the "fulcrum" on which you must place the "crow-bar" of your efforts, and when so placed, with intelligence, it will enable you to remove mountains of obstacles. This one lesson, alone, has made scores of Master Salesmen. It has developed leaders over night. It will teach you how to transform your personality so that you may adapt yourself to any environment, or to any other personality, in such a manner that you may easily dominate.
