Do you want the freedom to be your own boss, create your own culture, and accomplish your life dreams? Have you ever dreamed of working outdoors in a time-proven profitable industry? Did you know that with the right systems, you can manage a beautiful business from the beach? Have you already started your own lawn company and need some advice for the next step?

If you have answered yes to one or more of these questions, then *Lawn Maintenance and the Beautiful Business* is the audiobook for you. You will learn how to start your business from practically nothing and build it up to the income-generating machine that you envision.

Lawn Maintenance and the Beautiful Business will teach you how to bring in repeat customers, which equipment is best for your new business, when to start your business, what types of employees to hire, the marketing strategies that REALLY work, how to manage your business, what to do during the winter months, and what it takes to create a beautiful business. *Lawn Maintenance and the Beautiful Business* even has a chapter dedicated to those who don't yet have a driver's license but are committed to starting their own business.

If you desire to be the master of your own destiny, listen to *Lawn Maintenance and the Beautiful Business* to see how you can make this desire a reality!
