Leadership is a life-changing, three-book collection of abridged classics designed to guide you towards success in all areas of your life.
Niccolò Machiavelli's *The Prince* is history's greatest guide to attaining and keeping power; Ralph Waldo Emerson's *Power* has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it; and it may be said that no greater work on the subject of military theory exists than Sun Tzu's *The Art of War*. Abridged and introduced by PEN Award-winning historian Mitch Horowitz, these exquisitely brief and faithful condensations on leadership will mark a true turning point in your life and career.
