2026-07

Synopsis

author	Bodo Schaefer
readBy	Troy W. Hudson
inLanguage	english

The bestseller by Bodo Shafer suggests the effective rules of success that change your life!

In this book you'll find a unique system that helps you achieve success in any sphere of life. It includes easy and realizable tips that will lead you to better and happier life. You'll learn how to succeed in your career and relationships with other people.

This audiobook can be useful not only for experienced managers, but also for those people who feel leader potential though still can't realize it.

The book includes:

- What a leader must do: 5 Tasks
- What a leader should do: 5 Tools
- How a leader can do it: 5 Principles

The book is read in simple and clear language. It's a compelling story based on the true events of one of the authors, Boris Grundl. Despite the fact he was paralyzed after a failed base jump, he has managed to achieve success in sports, having become a Paralympic Games competitor! His example has inspired many people following *Leading Simple*.

Listen to the audiobook, follow the recommendations, and become more successful and happier!
