A Gathering Dead novella...

New York City has fallen to the zombie horde. The greatest city on Earth, once home to millions of Americans, is now firmly in the grasp of the dead.

First Sergeant David Gartrell is cut off and alone in the city, miles away from the nearest military units which might be able to assist. With his ammunition almost depleted, the only thing that stands between him and the stench are his Special Forces skills, his experience, and his uncompromising desire to avoid being eaten alive!

Together with a frightened woman and her young son, Gartrell sets out to accomplish his final objective: find a way to leave the city of the gathering dead, or perish at the hands - and teeth! - of the ravenous horde.

Left with the Dead is a high-octane military thriller.

The Gathering Dead series consists of the following works:

- The Gathering Dead*
- Left with the Dead*
- The Rising Horde: Volume 1*
- The Rising Horde: Volume 2*
