When servant girl Milla uncovers four dragon eggs, she must figure out how to keep them a secret. But perhaps the dragons are exactly what the warring factions of Arcosi needs to bring about peace.

On the island of Arcosi, dragons and their riders used to rule the skies. But now they are only legends, found in bedtime stories, on beautiful murals and ancient jewellery. When servant girl Milla witnesses a murder and finds herself caring for the last four dragon eggs, she is forced to keep them secret amidst the growing tensions in the city. But how can Milla and her friends keep the eggs safe when it means endangering everything she's ever loved? Fiery friendships, forgotten family, and the struggle for power collide as Milla's fight to save the dragons leads her to discover her own hidden past.

Perfect for fans of Cornelia Funke or Rick Riordan, *Legends of the Sky* is a rich and magical fantasy that touches on the questions of politics, war, and immigration.
