Madeleine Becker's parents died when she was 10 years old. Ripped from her home and everything that she has ever loved, she is forced to start all over again. The only way for her to move on is to build walls around her heart and keep everyone at a safe distance. Her logic: She can't get hurt if she doesn't fall in love. That theory is blown to pieces when she meets Reid Connely during her freshman year at college. He is gorgeous and darkly mysterious. He understands Maddy's pain all too well, but sharing his pain would mean breaking down the walls he put up around his own heart. Conflicted between loving Maddy and hiding his dark past, Reid starts to reevaluate his world. Maddy's inner strength, snarky personality, and breathtaking beauty help Reid to make peace with his past.
