The twisted and intriguing storytelling that you loved in *Consequences* and *Infidelity* continues with an all-new alpha anti-hero in the dark romance series *Web of Sin*, by *New York Times* best-selling author Aleatha Romig. I am... That's no longer an easy statement. Who am I? Since Sterling Sparrow, a man so handsome he takes my breath away and so infuriating he pushes me in ways I've never known, came barreling into my life like a category five hurricane, I can't even finish that simple statement. In 26 years I've lived three lives - been three different people. Renee. Kennedy. And now, *Araneae*. They say that I was named after the spider to make me resilient. Sparrow would then be a bird. Birds eat spiders. I prefer to consider myself a cat. It ups my chance of surviving the world I'm now living. Maybe that's only wishful thinking because according to Sterling, my number of lives is running out. There are people who want to harm me, to learn the secrets they claim that I possess. The only person to offer me protection is Sterling Sparrow. Can I trust a man who willingly put me in the sight of danger? What is real? What are lies? Have you been Aleatha's?

Lies is book two of the *Web of Sin* trilogy.
