Synopsis

author	Dr. Michael
readBy	A. Rizzo
inLanguage	english

Michael McCain is an Entrepreneur, 21st century world leader, life coach, empowerment specialist and poet; the author of The Prayerology series and his latest edition, *Life Editing* Series. Embrace the wisdom and experience the change! Michael McCain is on a personal mission to share with the world how to get life back on track and stay there. *Life Editing* is a series that is expected to change the way people approach everyday life and relationships. *Life Editing* is designed to deal with the development of making your dreams a reality, setting the road to get there. *Life Editing* also deals with hindrances, road blocks and character flaws that block the manifestation of living out your best and authentic life. *Life Editing* is sure to be a book and experience that you will want to share with others you know and take on the journey with you to self-improvement and empowerment.
