New York City's oldest medical center is the scene of a ghastly attack: top neurosurgeon Gemma Dogen is found in her office, where she has been sexually assaulted and designated by the cops as a "likely to die". By the time assistant D.A. Alexandra Cooper has plunged into the case, it's a high-profile, media-infested murder investigation. As Alex's passion to find the killer intensifies, she discovers that she is the next target for lethal violence.
