If Jenny Lawson was Chinese and wrote a Chinese mother-daughter book and punched Amy Chua in the stomach.

As the 800,000+ U.S. fans of Elaine Lui's site know, her mother, aka The Squawking Chicken, is a huge factor in Elaine's life. She pulls no punches, especially with her only child. "Where's my money?" she asks every time she sees Elaine. "You'll never be Miss Hong Kong," she informed her daughter when she was a girl. *Listen to the Squawking Chicken* lays bare the playbook of unusual advice, warnings, and unwavering love that has guided Elaine throughout her life. Using the nine principles that her mother used to raise her, Elaine tells us the story of the Squawking Chicken's life in which she walked an unusual path to parent with tough love, humor, and, through it all, a mother's unyielding devotion to her daughter. This is a love letter to mothers everywhere.
