I don't want you. You mean nothing to me. I never loved you.
I turned my words into swords. And I cut her down. Shoved the blade in and watched her fall. I said I'd never hurt her and I did. Years later I'm faced with all the little lies, the untruths, the false realities, the damage I inflicted when all I wanted was to indulge in my obsession. Lavender Waters is the princess in the tower. Even her name is the thing fairy tales are made of. I used to be the one who saved her. Over and over again. But I don't want to save her anymore. I just want to pretend the lies are still the truth.
