The Stoic Special Forces Operator
 There's only one person to blame for darkening the last years of Locke Oliver's military career: Cassidy Noble. And damn if he doesn't have to save her from the side of a frozen mountain.
 Even after the job is done, he can't shake the woman from his thoughts. He blames her for the deaths in his army unit so many years ago, and he's not ready to let that go. It's driving him to the point of distraction, and now his Titan Group boss says to get his act together or get out.
 The Feisty Fallen Reporter
 Cassidy is a disgraced journalist, once accused of treason - or she's an American hero. It depends on whom you ask. She's on a mission to rebuild her name and started with a simple question but discovered a complex web of spies and possible human trafficking.
 Titan Group believes in her.
 Locke does not. Until he can't deny the truth any longer about the past or what she's uncovered in her investigation.
 Become an Inseparable Team
 Cassidy volunteers to go undercover. Locke would do anything to stay by her side as she slips into the network and is sold to the highest bidder. All is going right until everything goes wrong. Nothing is as they expect, including falling in love with the woman he thought he hated.
