When Makara Angel winds up in post-apocalyptic LA, she was looking for a home, not trouble. Now Makara finds herself in the middle of a gang war, fighting for survival in LA's decaying streets.

Even after she falls in with the Lost Angels and their charismatic leader, safety is no guarantee. The Black Reapers are ramping up their aggression against the Angels, and Makara finds herself in the crossfire.

It's a battle to the death, and whatever gang survives will rule the ruins of the City of Angels. Can Makara carve out a new life here, or will the Reapers snuff out her second chance for good?
