Kinsey Millhone's latest client is Malek Construction, a \$40 million company still in family hands. It doesn't take an accountant to see that the four Malek brothers stand to inherit a fortune. But one of the brothers has been missing for 18 years, and Kinsey's assignment is to find him. <p> The stock of family memories is filled with nothing but bitterness, and the prodigal son will find no comfort at the Malek table. If there's one thing that goes hand-in-hand with bad blood, it's murder; and that's just around the corner.</p>
