His beautiful bride arrived, but there as one problem!he didn't know she existed

At twenty-five years old, Antoinette Hughes watched all sisters get married off. After fate fails to find her a husband that can handle her curves, she decides to take matters into her own hands and places an ad to become a mail order bride. Soon she finds herself on a train to Colorado ready to begin a life of her own, even if it means marrying and bedding a complete stranger. Mr. Tyler Miller is too busy mourning the loss of his fiancée to take much notice of anyone else. When Antoinette shows up at his family's hotel, looking to marry him, he couldn't be more surprised. He had not written her, someone else had. Will Antoinette finally get to walk down the aisle? And with who? Two bonus stories included

AUTHOR'S NOTE: This is a stand alone clean romance with a happily ever after ending.
