8 year old Sandra Cantu went missing from the mobile home park she lived at on March 27, 2009. A massive search would begin immediately for the little girl. Suspicion would soon fall on the most unlikely of suspects, a 28 year old woman who lived in the same mobile home park and taught Sunday school. The facts of this case are so bizarre that they are hard to believe. Join Gibby and I as we discuss the facts of the case along with an assortment of clips from both families, the ensuing trial, and the actual murderer.
