This is a great book for those interested human psychology as well as manipulation, persuasion, and deception. Listen to learn about a new world of the human mind! Are you wondering about the ways you can effectively manipulate, persuade, and deceive another person? Would you like to learn how to get them to contribute to your cause, vote for your political candidate, buy your goods, or avail themselves of your services? If the answer is yes, this audiobook is definitely for you! Here's the truth: Everything that you will ever have will come from your interactions with other people. Therefore, consciously or unconsciously, you are consistently trying to persuade, manipulate, and deceive other people through your words and actions.

This book contains comprehensive techniques of manipulation, persuasion, and deception that will help you in your personal goals. The goal of this book is to provide listeners with techniques, strategies, and exercises that they can readily perform. As such, the author of this book has made it possible to create a successful mind-control mastery guide that provides a good working knowledge of the fundamental concepts. It is highly practical and intuitive, not passive or abstract. This audiobook will be perfect for anyone who wants to improve his or her interactions with another person in a way that will advance his or her goals.
