She wants a short, sweet Master. One Master.

The two devastatingly dominant Drago cousins have other ideas.

Her life destroyed by a stalker, Uzuri Cheval starts anew in Tampa and joins the exclusive Shadowlands club. Unconvinced of her claims that she can overcome her fear of big men without help, Master Z gives her a time limit. And she is improving - until she hears the stalker is out of prison. Now her time limit is up, and the Masters will intervene, which is okay - as long as whoever helps her is short. Okay, sweet and gentle would be good, too.

But two Doms? Dangerously experienced and dauntingly powerful cousins? No way.

Having volunteered in every hellhole in the world, Dr. Alastair Drago is ready to settle down. Detective Max Drago has joined him, and once again, the cousins share everything. A house, lives, problems...and whatever submissive catches their interest. One mischievous submissive has definitely caught Alastair's. However, having been burned by a woman, Max remains detached...until little mischief's troubles turn deadly.

Mischief and the Masters is the latest book in the best-selling Masters of the Shadowlands series. If you enjoy edgy ménage and dominance spiced with humor and suspense, you'll love Cherise Sinclair's latest romance.
