Synopsis

authoriř	Anastasia Hayward
readByiř	Virginia Ferguson
inLanguageiř	english

Ever since she created a scandal at a Christmas ball, Charlotte Moore has dreaded the return of the holiday. This year, at a small Christmas party, Charlotte is tasked with proving to her family that she can behave within society's expectations or be permanently exiled to her aunt's rural manor.

Charlotte is determined to stifle her unladylike urges and act the perfect debutante. But then the very cause of her past scandal comes knocking at the door, and it has, in tow, the daring, dashing, devil-may-care Henry Simmons.

The rules say to stay away. They say it's not proper to play games at midnight or get caught alone under the mistletoe. They also say Charlotte laughs too loudly, dances the wrong dance, and should not play with fire. The more time she spends with the handsome rogue, the more she wonders whether staying on society's nice list is worth losing the joy in life. Can Charlotte find happiness within the rules, or will following her heart be her biggest scandal yet?
