Can a baseball star and single mom round the bases to their happily ever after?

They call me Mister Masher. I'm the homerun king on the field...and off. With a glitzy life full of parties, money, and beautiful women, settling down was the farthest thing from my mind...until I met her.

Fiery redhead Addie has the kind of luscious curves that turn my thoughts to a line drive up the middle. But every charming pitch I throw at the single mom is a swing and a miss. I soon learn Addison's son is critically ill, and she is willing to make any sacrifice necessary to ensure he gets the best possible care.

Our lives are as different as the major leagues versus the minors. Still, this is the one woman I would slide into home for. I was riding the bench of life before her, not really part of the game. Now, I'm stepping up to the plate, and I'm ready. Two strikes and the bases are loaded. I refuse to strike out at the challenge of our forever.
