One accident changed Kevin's life. Unable to fully function in society, Kevin spends his time in virtual worlds to chase away reality and go on fantastic adventures. Despite his many adventures, he had never lived a life that truly spoke to his soul. A life that was taken away before it ever truly started. When the beta test for a new virtual MMO called Monstar Saga goes live, Kevin is one of many players lucky enough to gain an early access key. The game boasts a fantastic and epic adventure where players can be any kind of fantasy race - except human. Lured in by the chance at a new gaming experience, Kevin joins the MMO to carve out a new destiny. What Kevin soon learns is Monstar Saga is not just a game. He will fall into a new life where the monsters live and darker threats lurk just beyond the veil. *Monstar Saga* is an epic, isekai fantasy adventure. It has farming, light kingdom and town building, action, intrigue, cultivation, slice of life, and unconventional relationships. For listeners 18 and up.
