If you liked Bridgewater County, you don't want to miss this hot new series full of wild mountain men!

We want Kit Lancaster. We've wanted her for years. Both of us. Me and Donovan. It might not be normal for two guys to claim a woman together, but we live in Cutthroat, Montana, and we'll do what we want.

And what we want to do is Kit. What could get in the way?

Oh yeah, a little thing called murder. And since I'm the lead detective and Donovan's the prosecutor, it might not be the smartest thing to bed the prime suspect.

As if that would stop us!
