There are so many ways to kill a friendship . . .

*You’re lying*, sprawled at the bottom of the stairs, legs bent, arms wide.

*And while this could be a tragic accident*, if anyone’s got a motive to hurt you, it’s me.

Bec and Izzy have been best friends their whole lives. They have been through a lot together – from the death of Bec’s mother to the birth of Izzy’s daughter. But there’s a darker side to their friendship, and once it has been exposed, there is no turning back.

So when Izzy’s body is found, Bec knows that if the police decide to look for a killer, she will be the prime suspect. Because those closest to you are the ones who can hurt you the most . . .

*The Rumour* meets *The Holiday* in this compulsive thriller with a toxic friendship at its heart that keeps you in the dark until the final breathless ending.

*Why you will love My Best Friend’s Murder . . .*

**GINA LaMANNA**, author of *Three Single Wives*

“I devoured this taut and thrilling tale of murder and toxic friendship, reading between my fingers as the tension cranked up and unable to put it aside until I’d read the final shocking twist”

**VICTORIA SELMAN**, author of

***Snakes and Ladders***  
~A page-turner to be reckoned with. The toxic friendship between Bec and Izzy is so well-crafted; the women's journey like a steam train about to derail. I raced through the book at record-speed, and couldn't wait to find out who would finally crack, who would die, and who would ultimately be responsible™

**JESSICA JARLVI**, author of ***What Did I Do?***
