A sci-Regency novel.

When Intergalactic Navy Captain Nathaniel Hawkins goes undercover to investigate the theft of an IN weapons stash, the mission raises painful memories from his past. Using a title he fled nearly two decades earlier, Nate once again becomes the earl of Deverell, heir to the duke of Hawthorne, in order to navigate the ins and outs of a Regency world. But planet Regence - where young lords are supposed to remain pure until marriage - has a few surprises for Nate, not the least of which is his attraction to Prince Aiden.

A talented artist, Prince Aiden Townsend isn't interested in politics and the machinations of society gentlemen, and he adamantly rejects the idea of marriage and a consort. Aiden wants the freedom to pursue his art and determine his own future. But the arrival of the dashing and mysterious Deverell awakens feelings of passion and longing the young prince can't deny.

As Nate uncovers a conspiracy reaching far beyond the stolen weapons, his future is irrevocably altered by the temptations of a life he never thought he could have. Drawn into the web of intrigue, Aiden is in danger of losing his life...and his heart.
