In this risqu  and unforgettable novel, a couple s bold move to add another person to their love life burns them with totally unexpected results. Many women are not willing to go the extra mile to please their men. For most couples, inviting someone into their bedroom is totally out of the question. Any normal woman would flip if her man even thought about trying a threesome with another woman. Jasmine is that woman, and more. It s not until her husband James pressures her into having a threesome that their once happy lives get turned into nothing but drama.
